01	Tori Amos	Winter
----	-----------	--------

Winter snow can wait  
 I forgot my mittens wipe  
 My nose get my boots on  
 I get a little warm in my heart  
 When I think of winter I put my hand in my father's glove  
 I run off where the drifts get deeper  
 Sleeping beauty trips me with a frown  
 I hear a voice " you must learn to stand up for yourself cause I can't always be around"  
 He says  
 When you gonna make up your mind  
 When you gonna love you as much as I do  
 When you gonna make up your mind  
 Cause things are gonna change so fast  
 All the white horses are still in bed  
 I tell you that I'll always want you  
 Near you say that things change my dear  
 Boys get discovered as winter melts flowers  
 Competing for the sun years go by  
 And I'm here still waiting  
 Withering where some snowman was mirror  
 Mirror where's the crystal place  
 But I only can see myself  
 Skating around the truth who I am  
 But I know dad  
 The ice is getting thin hair is gray  
 And the fires are burning so many dreams on the shelf  
 You say I wanted you to be proud of me  
 I always wanted that myself  
 He says  
 When you gonna make up your mind  
 When you gonna love you as much as I do  
 When you gonna make up your mind  
 Cause things are gonna change so fast  
 All the white horses have gona ahead  
 I tell you that I'll always want you near  
 You say that things change my dear ...

02	Eric Clapton	Pilgrim
----	--------------	---------

And how do I choose and where do I draw the line  
Between truth and necessary pain?  
And how do I know and where do I get my belief  
That things will be all right again?

What words do I use to try and explain  
To those who have witnessed all my tears?  
And what does it mean to know all these things  
When love's been wasted all these years,  
When love's been wasted all these years.

Standing in the shadows  
With my heart right in my hand,  
Removed from other people  
Who could never understand.

I was a pilgrim for your love,  
A pilgrim for your love,  
A pilgrim for your love,  
I was a pilgrim for your love.

It's like living in a nightmare,  
Like looking in the blackest hole,  
Like standing on the edge of nothing,  
Completely out of control.

Now where have I been all these years  
And how come I just couldn't see?  
Like a blind man walking 'round in darkness,  
I was a pilgrim for you love,  
I was a pilgrim for your love.

03	Alicia Keys	Fallin'
----	-------------	---------

I keep on fallin'  
In and out of love  
with you

Sometimes I love ya  
Sometimes you meke me blue  
Sometimes I feel good  
At times I feel used  
Lovin' you darlin'  
Makes me so confused

[chorus:]  
I keep on fallin  
In and out of love with you  
And I never loved someone  
the way that I love you

Oh, oh I never felt this way  
How do you give me so much pleasure  
And cause me so much pain  
Just when I think  
I've taken more than would a fool

## Dreamer in Love 1

I start fallin' back in love with you

[chorus]

Oh baby  
I, I, I'm fallin'  
I, I, I'm fallin'  
Fall

[chorus: 3x]  
What?

04	The Cure	Love Song
----	----------	-----------

Whenever I'm alone with you  
you make me feel like I am home again  
whenever I'm alone with you  
you make me feel like I am whole again

Whenever I'm alone with you  
you make me feel like I am young again  
whenever I'm alone with you  
you make me feel like I am fun again

However far away I will always love you  
However long I stay I will always love you  
Whatever words I say I will love you  
I will always love you

Whenever I'm alone with you  
you make me feel like I am free again  
whenever I'm alone with you  
you make me feel like I am clean again

However far away I will always love you  
However long I stay I will always love you  
Whatever words I say I will love you  
I will always love you

05	Simple Minds	Hypnotised
----	--------------	------------

I can feel the whole world spinning around I'm losing ground,  
I feel it every day  
And I can feel you coming inside out  
I'm losing touch with all reality

I remember the look in your eyes  
The way that they pulled me inside  
All I've got now in my defence is my innocence  
I've been hypnotised

I can hear the church bells ringing out  
Reminds me of some bright and sunshine day  
When all the pretty horses you would ride  
Would come right back, to feel your energy

I still remember the look in your eyes  
That way that they filled me inside  
All I've got now in my defence is my innocence

## Dreamer in Love 1

I've been hypnotised

You know it won't be easy  
It's never easy  
I've been hypnotised

So tell me what you think  
Do you think I'll sink  
Number one scapegoat  
I'm missing link  
All I know I've been hypnotised

I won't be easy

If you've got a heart that burns inside  
Let me get inside, let me tangle with the flames  
If you've got a light that burns inside  
The heat will rise and melt down once again

I still remember the look in your eyes  
That way that they pulled me inside  
All I've got now in my defence is my innocence  
I've been hypnotised  
All I've got now in my defence is my innocence  
I've been hypnotised

Hypnotised

So tell me what you think  
Do you think I'll sink  
Number one scapegoat  
I'm missing link  
All I know I've been hypnotised  
I'm waiting for a sign, help me realign  
May be it's a sin I know but it's not a crime  
All I know, I've been hypnotised  
Maybe there's a way I can find a way  
final hour judgement day  
All I know, I've been hypnotised  
And then I realise

06	Monaco	What do you want from me ?
----	--------	----------------------------

There is one thing, that I would die for  
It's when you say, my life is in your hands  
'Cos when you're near me, your love is all I need  
And I can't imagine.

What do you want from me  
It's not how it used to be  
You've taken my life away,  
ruining everything

What do you want from me  
It's not how it used to be  
You've taken my life away,  
ruining everything

Give me something, I can rely on  
Far away from, the life that I once knew  
What does it matter? That's all I have to say

## Dreamer in Love 1

And I can't imagine...

What do you want from me  
It's not how it used to be  
You've taken my life away,  
ruining everything.

What do you want from me  
It's not how it used to be  
You've taken my life away,  
ruining everything.

07	Andreas Johnson	Glorious
----	-----------------	----------

Here she comes with a master plan  
And I'm starting to loose control  
Here she comes to this trash of man  
And I'm ready to taste it all ... when

She's bringing me in  
Checking me out  
Making me Glorious

Here she comes like a brand new day  
Belly dancing across the room  
In the moonlight I watch her sway  
To her rhythm I'll go as groom ... with grace ... tonight ...

She's bringing me in  
Checking me out  
Making me glorious ... well

Here she comes

She's bringing me in  
Checking me out  
Making me glorious

She's bringing me in  
Turning me on  
Making me glorious

08	Frankie Goes To Hollywood	The Power Of Love
----	---------------------------	-------------------

I'll protect you from the hooded claw  
Keep the vampires from your door  
Feels like fire  
I'm so in love with you  
Dreams are like angels  
They keep bad at bay - bad at bay  
Love is the light  
Scaring darkness away - yeah  
I'm so in love with you  
Purge the soul  
Make love your goal

\*()The power of love  
A force from above  
Cleaning my soul

## Dreamer in Love 1

Flame on burn desire  
Love with tongues of fire  
Purge the soul  
Make love your goal

I'll protect you from the hooded claw  
Keep the vampires from your door  
When the chips are down I'll be around  
With my undying, death - defying  
Love for you  
Envy will hurt itself  
Let yourself be beautiful  
Sparkling love, flowers  
And pearls and pretty girls  
Love is like an energy  
Rushin' rushin' inside of me

\*(Repeat)

This time we go sublime  
Lovers entwine - divine divine  
Love is danger, love is pleasure  
Love is pure - the only treasure  
I'm so in love with you  
Purge the soul  
Make love your goal

The power of love  
A force from above  
Cleaning my soul  
The power of love  
A force from above  
A sky-scraping dove  
Flame on burn desire  
Love with tongues of fire  
Purge the soul  
Make love your goal

I'll protect you from the hooded claw  
Keep the vampires from your door

09	Kosheen	Hide U
----	---------	--------

If you were in my heart, I'd surely not break you  
If you were beside me, and my love would take you  
I'll keep you in safety, forever protect you  
I'll Hide U away from the world you rejected  
I'll Hide U

I'll Hide U

Take my hand, show no fear  
Look in my eyes, it's perfectly clear  
I'll love you, and comfort you  
Ask me to tell you what I wanna do  
I'll Hide U away from danger

Hide you, Hide you, Hide you, Hide you, Hide you, Hide you, Hide you.

If you were in my heart, I'd surely not break you  
If you were beside me, and my love would take you

## Dreamer in Love 1

I'll keep you in safety, forever protect you  
I'll Hide U away from the world you rejected  
I'll Hide U

I'll Hide U

Take my hand, show no fear  
Look in my eyes, it's perfectly clear  
I'll love you, and comfort you  
Ask me to tell you what I wanna do  
I'll Hide U away from danger

Hide you, Hide you, Hide you, Hide you, Hide you, Hide you, Hide you.  
If you were in my heart, I'd surely not break you  
If you were beside me, and my love would take you  
I'll keep you in safety, forever protect you  
I'll Hide U away from the world you rejected  
I'll Hide U

I'll Hide U

If you were in my heart, I'd surely not break you  
If you were beside me, and my love would take you  
I'll keep you in safety, forever protect you  
I'll Hide U away from the world you rejected  
I'll Hide U

I'll Hide U

10	Janet Jackson	That's The Way Love Goes
----	---------------	--------------------------

Like a moth to a flame  
Burned by the fire  
My love is blind  
Can't you see my desire  
That's the way love goes

Come with me don't you worry  
I'm gonna make you crazy  
I'll give you the time of your life  
I'm gonna take you places  
You've never been before and  
You'll be so happy that you came

Oh, I'm gonna take you there  
That's the way love goes  
Don't mind if I light candles  
I like to watch us play and  
Baby, I've got on what you like  
Come closer baby close  
Reach out and feel my body  
I'm gonna give you all my love

Oh sugar, don't you hurry  
You've got me here all night  
Just close your eyes and hold on tight

Oh baby, don't stop, don't stop  
Go deeper baby deeper  
You feel so good I'm gonna cry

## Dreamer in Love 1

Oh, I'm gonna take you there  
That's the way love goes

11	The Cars	Why Can't I Have You
----	----------	----------------------

Dreamy lips set in motion flashing  
Breathless hush pounding soft lasting  
Glossy mouth taste untamed moving  
Carousel up and down  
Just like you  
Oh baby  
Just one more time to touch you  
Just one more time to tell you  
You're on my mind

Baby, why can't I have you  
You're breaking my heart in two  
You know what I'm going through  
Oh, baby, why can't I have you

Candy smile all the while glinting  
Your eyes like mica lethal pout hinting  
Felt the pressure tight and warm softly striking  
I tripped and stumbled  
I cling forever  
I go all night  
Oh baby  
Just one more time to touch you  
Just one more time to tell you  
I'm not so blind

Baby, why can't I have you  
You're breaking my heart in two  
You know what I'm going through  
Oh, baby, why can't I have you

.....  
I need you  
.....

12	Tori Amos (10cc)	I'm Not In Love
----	------------------	-----------------

I'm not in love, so don't forget it  
It's just a silly phase I'm going through  
And just because I call you up,  
Don't get me wrong, don't think you've got it made  
I'm not in love, no no, it's because...  
I like to see you, but then again,  
That doesn't mean you mean that much to me  
So if I call you, don't make a fuss,  
Don't tell your friends about the two of us  
I'm not in love, no no, it's because...  
(Be quiet, big boys don't cry, big boys don't cry)  
I keep your picture upon the wall  
It hides a nasty stain that's lying there  
So don't you ask me to give it back  
I know you know it doesn't mean that much to me  
I'm not in love, no no, it's because...

## Dreamer in Love 1

Ooh, you'll wait a long time for me  
Ooh, you'll wait a long time  
Ooh, you'll wait a long time for me  
Ooh, you'll wait a long time  
I'm not in love, so don't forget it  
It's just a silly phase I'm going through  
And just because I call you up,  
Don't get me wrong, don't think you've got it made  
I'm not in love, I'm not in love...

13	Depeche Mode	Enjoy The Silence
----	--------------	-------------------

Words like violence  
Break the silence  
Come crashing in  
Into my little world

Painful to me  
Pierce right through me  
Can't you understand  
Oh my little girl

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do harm

Vows are spoken  
To be broken  
Feelings are intense  
Words are trivial

Pleasures remain  
So does the pain  
Words are meaningless  
And forgettable

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do harm

Enjoy the silence

14	Earth & Fire	Love Of Life
----	--------------	--------------

Why don't you give me love like before  
Oh you know it hurts me so  
Why don't you pay attention to me  
Like you used to do before

'Cause I love you  
'Cause I love you  
Can you give me love of life?

I thought that we could make it, yeah  
But now I feel so insecure

## Dreamer in Love 1

Don't deceive me, tell me straight  
If you don't love me anymore

'Cause I love you  
'Cause I love you  
Can you give me love of life?

What's going on in your mind these days  
So long I've tried to understand  
Ooh, I hate this slipping away  
Won't you please take my hand

'Cause I love you  
'Cause I love you  
Can you give me love of life?

Time has opened my eyes  
And now I realize  
Why did you let me down  
Why did you let me down  
In love of life:

'Cause I love you  
'Cause I love you  
Can you give me love of life?

Time has opened my eyes  
And now I realize  
Why did you let me down  
Why did you let me down  
In love of life.

15	Dire Straits	Water Of Love
----	--------------	---------------

High and dry in the long hot day  
Lost and lonely every way  
Got the flats all around me sky up above  
I need a little water of love

I've been too long lonely and my heart feels pain  
Crying out for some soothing rain  
I believe I have taken enough  
I need a little water of love

Water of love deep in the ground  
No water here to be found  
Some day baby when the river runs free  
It'll carry that water of love to me

There's a bird up in a tree sitting high up  
Waiting for me to die  
If I don't get some water soon  
I'll be dead and gone in the afternoon

Once I had a woman I could call my own  
Once I had a woman now my woman is gone  
Once there was a river now there's a stone  
You know it's evil when you're living alone

16	Madonna	I Want You
----	---------	------------

I want you the right way  
I want you, but I want you to want me too,  
Want you to want me baby  
Just like I want you

I'll give you all the love I want in return  
But half a love is all I feel, sweet darling  
It's too bad, it's just too sad  
You don't want me no more  
But I'm gonna change your mind  
Someway, somehow

I want you the right way  
I want you, but I want you to want me too,  
Want you to want me baby  
Just like I want you

One way love is just a fantasy  
To share is precious, pure and fair  
Don't play with something you should cherish for life  
Oh baby, don't you wanna care?  
Ain't it lonely out there?

I want you the right way  
I want you, but I want you to want me too,  
Want you to want me baby  
Just like I want you

I want you the right way  
I want you, but I want you to want me too,  
Want me baby,  
Just like I want you.

I want you, the right way  
Want me baby  
Don't play with something you should cherish for life

17	Farin Urlaub	OK
----	--------------	----

Absolut nichts ist in Ordnung  
Absolut nichts ist Ok  
Verkneif dir jegliches Mitleid,  
Und spar die jedes Klischee!

Ja, es geht mir beschissen,  
Ja, es ist wegen Dir!  
Doch davon willst du nichts wissen,  
Sonst wärst du sicherlich hier - bei mir.

Ich hasse Dich!  
Ich hasse Dich!  
Ich hasse Dich!  
Ich hasse Dich!

Absolut nichts ist mehr heilig  
Absolut nichts steht noch fest  
Ich hätte niemals erwartet,  
Das du mich einfach verlässt.

## Dreamer in Love 1

Ich hasse meine Gefühle  
Und meine Hilflosigkeit  
Aber ich bin mir ganz sicher,  
Das geht vorbei mit der Zeit - mit der Zeit.

Am Morgen geht die Sonne auf  
Und ich hasse Dich!  
Die Welt nimmt weiter ihren Lauf  
Und ich hasse Dich!  
Menschen gehen von A nach B  
Und ich hasse Dich!  
Im Winter fällt ein bisschen Schnee

Manchmal wünsch' ich mir, ich wär tod  
Keine Gefühle - Kein Problem  
Das klingt nach 'nem verlockendem Angebot  
Aber ich werd's überleben  
Und mit Glück bleibt nur eine Narbe zurück.
